Do more with your trial

This should lead you to the following site

<https://learn.microsoft.com/en-GB/dynamics365/business-central/dev-itpro/administration/set-up-standard-company-configuration-packages>

We will go over this site in the Class.

The assignment is as follows

Go to Configuration Packages in your company

Find the IS.ISL.Extended Package and export it to Excel (you might get an error message when you open the excel sheet but it should open anyway).

Find the Location Sheet.

A What is the number of the Location Table and how many locations are in the system?

Create a new Rapid pack and name it Locations

Get table 14 and say no „get related tables

Then go to Go to Table Fields

The screenshot shows the 'Config. Package Card' interface. At the top, there are navigation icons (back, edit, add, delete) and a 'Saved' status. Below the title, there are action buttons: 'Get Tables...', 'Export Package...', 'Import Package...', 'Apply Package', and 'Validate Package...'. The 'General' tab is active, showing fields for 'Code' (LOCATION), 'Language ID' (0), 'Package Name' (Location), 'Processing Order' (0), 'Product Version' (empty), and 'Exclude Config. Tables' (toggle). Below this is a 'Tables' section with tabs: 'Tables', 'Manage', 'Table' (highlighted), 'Functions', 'Excel', and 'Fewer options'. Under the 'Table' tab, there are sub-tabs: 'Package Data', 'Database Data', 'Errors', 'Fields' (highlighted), 'Filters', and 'Processing Rules'. A table is displayed with the following columns: 'Table ID ↑', 'Table Name', 'Parent Table ID', 'Data Template', 'as Col...', 'Table Trig...', 'Bef... Pro...', and 'No. of Package Record'. The table contains one row with '14' in the 'Table ID' column, 'Location' in the 'Table Name' column, and '0' in the 'Parent Table ID' column. The 'as Col...' and 'Table Trig...' columns have checkboxes.

Table ID ↑	Table Name	Parent Table ID	Data Template	as Col...	Table Trig...	Bef... Pro...	No. of Package Record
14	Location	0		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	

Tick Clear included, as shown on the picture

Edit - Config. Package Fields - Location							
Search		Edit List	Set Included	Clear Included	Mapping...	Move Up

<input type="checkbox"/>		5728	Cross-Dock Due...	<input type="checkbox"/>	<input type="checkbox"/>	21	

Then export the package to Excel

Open the excel sheet. Take a picture of the Locations and post into the assignment

Delete the lines from the excel sheet and make 3 new lines as follows

	A	B	C	D	E	F	G	H	I
1	LOCATION	Location	14						
2									
3	Code	Name	Address	City	Phone No.	Post Code	County	Country/Region Code	
4	Skeifa	Verslun Skeifan	Skeifan 15	Reykjavik	5635100	108	IS		
5	Smari	Verslun Smáralind	Smáralind	Reykjavik	5540000	111	IS		
6	Skrifst	Skrifstofa	Skútuvogi 5	Reykjavik	5635000	104	IS		
7									
8									
9									

Save the excel sheet as Locations

Import the Rapid start package by choosing Import from Excel

B Now create a new package for Customers (table 18)

Find what fields are mandatory (no, name, posting groups) and include those in your table fields package and skip the others.

Export the package to excel and return with the assignment, name it Customers

C Delete the Customers from your lines in the package and make a new line with 1 new Customer. Hagkaup

Take a picture of the package and return wit the Assignment

C Import the Customer Package into your Compani, Import, Validate and Use package

Find the new Customer in your Company, take a picture of the Customer card and return with the assignment
